Dragi farani in prijatelji!

Papež razglasil 21 novih kardinalov – med njimi tudi Slovenec

Papež Frančišek je v nedeljo, 6. oktobra 2024, po molitvi Angel Gospodov razglasil imena 21 novih kardinalov, ki bodo umeščeni med konzistorijem 8. decembra 2024. Med njimi je tudi **msgr. Vinko Bokalič Iglič** CM, slovenski rojak in nadškof Santiaga del Estera in primas Argentine ter novi vikar rimske škofije monsinjor Reina.

Vinko Bokalič se je rodil 11. junija 1952 v Buenos Airesu, v družini slovenskih staršev Vinka in Pavle, rojene Iglič, ki sta v Argentino prišla leta 1949. Oče je bil doma iz Mengša, mati pa iz Prevoj. Vinko je po vstopu v skupnost lazaristov študiral teologijo v argentinski prestolnici in tam 1. aprila 1978 prejel duhovniško posvečenje. Novo mašo je obhajal v slovenski vasi v Lanusu skupaj z bratom Jožetom, ki je bil posvečen deset mesecev pred tem v Ljubljani. Vinko je ostal v argentinski provinci, Jože pa se je pridružil slovenskim lazaristom, čeprav je v Sloveniji deloval le nekaj let.

Vinko Bokalič je večino svojih duhovniških let preživel v Buenos Airesu, kjer je skrbel za mladinsko pastoralo, bil je rektor semenišča, župnik in nazadnje vizitator Misijonske družbe v Argentini. Vmes je bil tri leta misijonar v škofiji Goya. Papež Benedikt XVI. ga je 15. marca 2010 – sočasno z imenovanjem Stanislava Lipovška za celjskega škofa – imenoval za pomožnega škofa v Buenos Airesu. V škofa ga je 29. maja 2010 posvetil tedanji nadškof Buenos Airesa kardinal Jorge Mario Bergoglio, sedanjí papež Frančišek. V tej službi je bil dve leti kot pomožni škof argentinske prestolnice njegov tesen sodelavec.

Letošnjega julija je papež Frančišek škofijo Santiago del Estero v Argentini povzdignil v nadškofijo, za njenega prvega nadškofa pa imenoval msgr. Vinka Bokaliča Igliča CM, dosedanjega škofa istega sedeža, in mu podelil naslov primasa Argentine. (Družina).

Advent Wreaths and Candles

The Advent wreath first appeared in Germany in 1839. The Advent wreath is created out of evergreens, symbolizing everlasting life in the midst of winter and death. The circle reminds us of God's unending love and the eternal life He makes possible. Advent candles are often nestled in the evergreen wreath. Additional decorations, like holly and berries, are sometimes added. Their red color points ahead to Jesus' sacrifice and death.

Pinecones can symbolize the new life that Jesus brings through His resurrection. Families begin lighting a candle on the fourth Sunday before Christmas and light another candle each subsequent Sunday.

The most common Advent candle tradition, however, involves four candles. A new candle is lit on each of the four Sundays before Christmas. Each candle represents something different, although traditions vary. The four candles traditionally represent hope, faith, joy, and peace. Often, the first, second, and fourth candles are purple; the third candle is rose-colored. Sometimes all the candles are red; in other traditions, all four candles are blue or white. Occasionally, a fifth white candle is placed in the middle and is lit on Christmas Day to celebrate Jesus' birth.
